

# HOLDFAST BAY CROQUET CLUB

KEEPING IN TOUCH

AUGUST, 2021

Hi Folks,

Just a quick update to let you know of club happenings.

## FRIDAY NIGHTS AT THE CLUB

Reminder that we are co-ordinating with the bowls group to present/ host Friday nights at the club.

Once every two months (2<sup>nd</sup> Friday of each month) we are catering for a "formal" dinner and once a month a casual meal

Our next Dinner is on **September 10<sup>th</sup>** " Beef Stroganoff Dinner". Apple pie and apple crumble for desert.

Flier and booking sheet at the courts and in foyer of club rooms Please attend if possible to make this a great night . Trish and her crew always present a fantastic meal that all enjoy.

Volunteers will again be needed to assist on the night. So....?

Our next **Casual dinner is on Friday 24<sup>th</sup> September**. I would like, if possible, someone to co-ordinate. Also need a few helpers on the night. Nothing major, light meals will be served via the bar.

## CASTING TECHNIQUES CLINIC

John Amery has offered to run a casting technique clinic at our club. (NO not knitting of fishing but hitting that croquet ball.) He will also answer a range of questions relating to refereeing and the rules. John is an official referee and a coach with SACA.

A flier and booking sheet are at the courts so please add your name. Thursday and Friday mornings are times that are offered.

## First Aid

The club plans to conduct a St Johns First Aid course for all interested members. This course is of great value and interest to all. If you would like to update your first aid skills please let me know or add name to list at the courts. Day and time has not been finalised yet but the course will be offered on a weekday.

## Opening Day of the club for 2021/2022 season. Saturday 18<sup>th</sup> September

### Program

11.30 am Official opening

12.00 noon Light Lunch - BBQ - sausages and burgers FREE

Keep safe, stay well, keep smiling and keep croqueting

Cheers

Marg
